## **THEFT FROM AUTO ALERT**

July 2, 2016

Last evening (7/1-7/2) between 11:30 pm and 5:30 am at least 25 cars were rummaged through in the Hemlock Rd area. Specifically the Foxbridge Village Condominium complex, including Watch Hill Rd. Field Point Rd. and Hemlock Rd.

Of the twenty-five (25) cars gone through at least five(5) had valuables taken including cash, wallets and a computer. The other vehicles had no items taken. Most vehicles were left unlocked but several complainants reported that they were positive the vehicles were locked and believed a slim jim or similar device was used to gain entry.

The Police Department is requesting your assistance in being vigilant by protecting your personal property. This includes locking all doors on automobiles and closing windows when unattended as well as keeping money, expensive electronic devices and auto accessories out of plain view by potential thieves. If possible, use or install motion activated lighting around your home and parking area.

In addition, please report any suspicious activity immediately to police. Dispatchers will request as much information as possible. Please try to report a precise location and detailed descriptions of suspicious people including gender, race and clothing and for vehicles include make, model, color and license plate numbers if possible.

Please report all activity to the police at 203-481-4241 or in an emergency by 911.
