**IW#17.03.01 – 4 Hickory Hill Ln – drainage alterations**

Present: Commissioner Richard Greenalch, IWEO Diana Ross, and Michael Daddio property owner

A quorum was not reached therefore a meeting could not be called to order.

At 3:30 those present walked the site to view site drainage conditions, work performed, and drainage to the creek on 82 Mill Plain Rd. Discussion was limited to identification of location of drainage structures old and new and property owner's observations of water flow conditions he has observed. The Ballou watershed drainage sketch was compared to drainage conditions observed on site. The meeting concluded at 3:52.

Respectfully Submitted.

Diana Ross, IWEO
