SPECIAL MEETING MINUTES

SITE WALK

IW#13.06.03 | 47 Gould Lane Sub Division | Property Development
Sediment & Erosion Controls
Thursday June 06, 2019 at 5:30 PM

1. SITE WALK:

- CALL TO ORDER:

Chairman Peter Bassermann called the Special Meeting to order at 5:30 P.M.

- ROLL CALL

Commissioners Present: Chairman Peter Bassermann, Suzanne Botta, Richard Greenalch, Eric Rose, Chris Traugh

Staff Present: Inland Wetland Staff David McCarthy

Members of the Public Present: Peter Raymond, Lauren Brown, Bill Horne, Matt Reed, Gaile Ramey, Elizabeth Dock, Pam Roy, Jonathan Katz

Applicant Present: Michael Digioia

Applicant's Attorney: Timothy Herbst

IW#13.06.03| 47 Gould Lane | Sub Division | Site Walk to View Site Conditions

- Chair Peter Bassermann noted that nothing can be discussed and that this meeting is just to view site conditions
- Michael Digioia explained the source of the water flow to the lower end of the site to the Commission, members of the public, and members of the Branford Land Trust
- The Commission asked Mr. Digioia to show it all progress made to stabilize the site and improve the erosion control measures outlined in the May 9th letter he sent to the Commission
- Michael Digioia led the group throughout the site to view conditions and progress made by Donmar Development Corporation to stabilize soils
- Members of the Branford Land Trust led the Commission on to the adjacent Land Trust Property to view site conditions
- No other business was conducted

ADJOURNMENT: 6:40 P.M.

Respectfully Submitted,

David E. McCarthy
