  ### IW#13.06.03| 47 Gould Lane | Sub Division | Site Walk to View Site Conditions
- Chair Peter Bassermann noted that nothing can be discussed. He stated that there will be no "what if discussion" and that this meeting is only to view site conditions. He advised everyone to save their questions and discussion for the next Regular Meeting of the Inland Wetlands and Watercourses Commission.
- Michael Digioia and his Attorney required members of the Public to sign personal injury liability wavers
- Ryan McEvoy led the group around the site, demonstrating erosion control work that had been done, and that is scheduled to be done
- The Commission viewed many of site's building lots, including the most recently proposed building lots (10,11,12)
- The Commission viewed erosion controls across from lots 3 and 4 and its access road
- The Commission viewed the storm water catch basin and its level spreader

ADJOURNMENT: 6:25 P.M.

Respectfully Submitted,

David E. McCarthy
