ITEM DESCRIPTION

CALL

- 01** Meeting was called to order 4:30 p.m. by Michael A. Krause, CIC, Committee Chair

DISCUSSION ITEMS

- 02 A. Planning Session for the Dedication/Naming of the Cathy & John McGuirk Field Hockey Field.**

The Committee discussed placement of the sign bearing the name of Cathy and John McGuirk which will be located at the Turf Field Entrance. Lee Panagoulis and Joe Carbone continue to work on getting sign mockups. The choices are having one bigger sign that has the McGuirk's name as well as all of the Girls Lacrosse State Championship years or having two signs similar to how the baseball signs are currently set up. Robin Axtell will check to see if a game can be scheduled with North Branford for a Saturday in September. Once the date is set, the plan is to try to have this as the only function/game going on for the high school that day. The hope is to have this information by the next meeting so that the Committee is able to start organizing the actual event. A suggestion was made to have the BHS Marching Band and Music Makers perform. At the next meeting the Committee will discuss speakers and ways to reach out to former players.

ADJOURNMENT

- 03** Mr. Krause adjourned the meeting at 5:20 p.m.

**The next Special Naming of Facilities Advisory Committee meeting will be held on
