**SPECIAL MEETING**  
**MINUTES - Approved**

**Monday, March 13, 2017**

**IW#17.03.01 – 4 Hickory Hill Ln – drainage alterations**

Commissioners Present at 5:10PM: Chairman Peter Basserman, Commissioners, Jim Sette and Jim Goggin

Note: Three members is one commissioner short for a quorum, so a meeting was not convened. Commissioners Absent: Suzanne Botta, John Rusatsky, Richard Greenalch, Sandra Kraus, and Eric Rose, Merle Berke-Schlessel, and Rick Ross.

Also present: IWEO Diana Ross, property owner Michael Daddio, Atty Ray Lemley (for John Ferrucci)

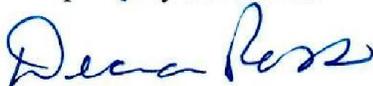

The commission walked the property. Mr. Daddio showed commissioners drainage pipes he found and location where damaged pipes were removed, Also he explained the drainage issues he has experienced, pipe/stone installation he had recently conducted and additional work he proposes.

Commissioners explained that a detailed/scaled plan needs to be submitted. Also he needs to provide hydrology calculations showing both current conditions and proposed flows and impact.

Mr. Daddio affirmed that he had received a pdf (emailed to him by D. Ross) of a drainage study completed by Engineer Don Ballou which includes calculated flows from the Hickory Hill/Marks Court watersheds to the stream on 82 Mill Plain Rd.

Inspection was completed at 5:33 PM.

Respectfully Submitted

Diana Ross, IWEO
