Absent: S. Botta, S. Kraus, J. Sette, R. Ross, and M. June-Wells.

Staff present: IWEO D. Ross

Also present: property owner, Michelle Caron, atty. Andy Campbell, soil scientist David Lord,
contractor R. Baldwin

The location of crossing was viewed. D. Lord explained the soils found. R. Baldwin identified limit of disturbance.

Location of existing septic system was observed.

Walk ended at 5:30. Commissioners continued to the second site.

IW#17.07.05 – 244 & 250 North Main St – proposed retail development

5:45 PM Commission arrived at site.

Present: Chairman P. Bassermann, Commissioners - E. Rose, J Goggin, R. Greenalch, and M. June-Wells.

Absent: S. Botta, S. Kraus, James S. Rick Ross

Staff Present: IWEO D. Ross

Also present: Engineer John Scmitz, Soil Scientists Scott Stevens and Jen Beno

Member of the public present: Lauren Brown

The north wetland proposed to be filled was viewed as well as the location for proposed mitigation area for that wetland and wetland proposed to be filled for expanded road lane (if required).

An area of wetland impacted by sediment was observed. An area that appeared to be wetland based on plants and hydrology was questioned. It had not been identified as wetlands. The soil scientists will investigate prior to the next meeting.

Meeting adjourned at 6:37 PM

Respectfully Submitted,

Diana Ross, IWEO
