March 1, 2023

Dear Members of the Branford Board of Education:

With increasing demands, mandates and economic pressure on the school district, the Board of Education (BOE) and the Superintendent's team worked cooperatively, carefully crafting the FY24 budget, reducing the administration's request of 7.4% to its current level. Unlike previous budget submissions, the BOE FY24 budget submission represents the highest request in 13 years. The increase is overwhelmingly driven by a precipitous increase in health insurance cost and utilities. While the District is not immune from the impact of inflation, it can and is, exploring viable alternatives to mitigate the substantial increases to health insurance. The BOE's budget meets all operational, programmatic, and contractual obligations and reflects an Operating Budget request for \$64,477,616; representing a 5.8% increase over the current year appropriation.

The BOE's budget reduces a net 5.3 certified FTEs from the operating budget, resulting in a cost avoidance of more than \$350,000. In addition to staff compression, the Board identified other areas to reduce their budget request. For your reference, the budget book contains the list of these cuts. Throughout the three budget workshops, the Board sought to surgically reduce the Superintendent's proposed budget while adhering to its institutional priorities of: preserving programs, class size, student supports and staff professional development, and extra-curricular opportunities.

In formulating the Capital Budget, the Board is keenly aware that John B. Sliney school is nearing its end of useful life and will require significant and substitutional resources to remain a viable elementary school. The Board has commissioned a preliminary study of JBS to assist the BOE in making specific recommendations to the Town which it expects to do so later this year. Significant to this year's proposed Capital Budget the Board proposes to modernize and bolster the District's security system, which is necessary to update the various systems currently in place, including intrusion alarms, door/badge access, and security cameras. The integrated cloud-based system will provide a comprehensive, united security platform, upgrades the equipment and adds additional features such as guest badging, notification of propped doors, and streamlined, high resolution video review for incident investigation. Without these upgrades our aging cameras and equipment, which are no longer supported due to FCC bans on Chinese equipment, will remain in place. The recommendation from the Boards chief technology officers will require a multi-year commitment as the cloud-based system requires a triennial subscription fee.

We look forward to discussing the BOE's adopted budget with your committee and to working with you to provide the very best to our students and the community of Branford.

Very Truly Yours,

Peter A. Berdon

Total	\$ 11,291,933	\$ 13,223,942	1,932,009	17.1%

The Board of Education provides employee benefits through a self-insurance program for medical (prescriptions and health) and dental coverage. The 23-24 budget is based on 95% of projected claims, as was the 22-23 budget.

Net prescription costs (Rx) are down due to the discovery and application of pharmacy rebates.

Only eligible, non-certified employees participate in the Connecticut Municipal Employees' Retirement System (CMERS). Funding is shared between the employee and the Board of Education. The employer contribution rate for 23-24 is 10.2% higher.

Other Post Employment Benefit (OPEB) normal costs are budgeted to be paid into the Town's Trust. The Trust had a \$10 million net asset balance (surplus) at 6/30/21.

FIXED AND
VARIABLE
COSTS

Branford Board of Education Budget

GLOSSARY OF EXPENSE TYPES

To assist the public with understanding the nature of costs in the Board of Education budget, financial data is segmented into three categories based on the level of controllability:

FIXED COSTS arise from contractual agreements and/or mandated activities. They must be paid, absent significant changes in capacity or service levels as would, for example, be accomplished by reducing the number of teachers. Fixed costs are, by far, the largest category of the budget.

REQUIRED COSTS are necessary for the comprehensive operation of a school district and are generally unavoidable, though there may be alternate means of meeting the same needs, such as hiring in-house specialists (fixed costs), rather than relying out outsourced professional services (required costs).

VARIABLE COSTS are subject to some degree of discretion and are budgeted and expended in accordance with district values and the Board of Education's strategic priorities.

Branford Board of Education Budget

GLOSSARY OF LINE ITEMS

The Board of Education presents its budget on a line item basis with a numbering system known as “character codes” in the district’s accounting software. This allows an efficient, strategic level of understanding and analysis. The following definitions provide an overview of the types of expenses included in each line item.

LINE ITEM	Typical Expenses
FIXED COSTS	
10 Salaries - Certified	Salaries for employees participating in the Teachers Retirement System, stipends for activities advisors and athletic coaches, wages for certified staff engaged in curriculum writing and summer programs
11 Salaries - Noncertified	Salaries and wages for non-certified staff
20 Employee Benefits	Health insurances, employer contributions for FICA, Medicare, and the Municipal Employees Retirement System (MERS), unemployment compensation and Other Post-Employment Benefits (OPEB)
21 Workers Compensation	Contributions to the self-insured program for legislatively mandated worker benefits
30 Site License	Curricular and operational software
40 Utilities	Electricity, heating oil, water, natural gas and lease fund contribution
41 Trash/Snow Removal	Contracted facilities services
50 Transportation	Regular bussing including ESCA, Vo-tech and homeless. Athletics and activities busses and vans, special education and summer transportation, bus fuel
52 Liability	Insurance: Property, auto, liability, School Board errors & omissions, student accident
55 Tuitions	Adult Education (SAE), Vo-Ag, magnet and special education tuitions
REQUIRED COSTS	
31 Purchased Services	Substitutes, interns, in-house professional development and workshops
32 Purchased Services – Professional/Technical	Legal, Medical Advisor and psychiatric services, referees/umpires, police protection (General Operations). Behaviorist, OT/PT, evaluations, specialized nursing, legal (Pupil Services).
53 Communications	Telecommunications and postage
6B Other Supplies	Staff uniforms, nursing supplies, medical waste disposal

VARIABLE COSTS	
42 Purchased Services - Repairs	Preventative maintenance, facilities time and materials contracts, network parts, instructional department equipment maintenance, copier coverage
43 Rentals	Hockey ice time, storage containers and units, graduation chairs, tents
54 Advertising/Printing/Binding	Central and school-based print publications, recruitment advertising
56 Travel	Staff reimbursement for work-related travel
57 Other Purchased Services	Off-site professional development
60 Instructional Supplies	General and program-specific supplies, paper, athletic uniforms
61 Computer Supplies	Technology consumables
62 Building Maintenance Supplies	Custodial, grounds and maintenance supplies. Maintenance vehicle fuel.
63 Audio Visual Supplies	General and programmatic A/V supplies
64 Supplies/Equipment	Programmatic small durables
65 Meeting Supplies	Refreshments and materials for negotiations, lengthy meetings
67 Textbooks/Digital	Electronic and hard copy texts
68 Library Books	Media centers and classroom collections
69 Periodicals	Subscriptions
6A Office Supplies	Clerical supplies including copy paper for school, central and health offices
70 Replacement Equipment	Replacement of equipment at the end of its useful life
71 New Equipment	Large durables
80 Dues and Fees	BOE, athletics and departmental memberships. Athletic tournament fees.

CAPITAL BUDGET

Board of Education
Three Year Capital Plan
Introduction

The purpose of this document is to inform Town Officials of capital needs of the school district over the next five years. The capital budget requires appropriate funding from the Town of Branford. After the budget process is completed, the capital budget becomes part of the Town's plan to improve, acquire and or enhance capital assets.

The proposed capital plan includes a description of the immediate and anticipated needs of the school district. It should be noted that this is not a static document; rather it is dynamic and may change as the needs of the district change. In addition, emergencies and unanticipated events may occur requiring additional and immediate funding.

This capital plan is presented as a planning document. If the document is approved conceptually, bid specifications are developed in order to determine the cost for each project listed in the year of the plan. Any projects not undertaken in any year due to funding constraints may remain in the capital plan for consideration in subsequent years. The District continues to work with Town Officials to expedite the completion of projects in a fiscally responsible manner.

**Branford Public Schools
185 Damascus Road
Branford, CT 06405**

**Instructional & Operational Technology Department
Capital Funding Justification for Request
2023-2024**

The multi-year request continues the technology refresh plan to provide 1:1 devices in the district. These requests align with the BPS Instructional Technology Plan, which supports touch-based devices at the early grade levels (PreK, Kindergarten, and Grade 1) and a 1-to-1 Chromebook model for Grades 2 through Grade 12.

The leasing plan has been developed in consultation with the Town Finance office in order to provide a financing and refreshment model that is both fiscally and instructionally sustainable.

The requests regarding office/administrative computers and security cameras, based on an analysis of ongoing and previous needs, sustain current services in these areas.

The request regarding the integrated security system is the result of regular assessment of district safety and security needs and the goal of providing future efficiency in these areas.

21st Century School Technology & AV Systems - \$50,000

This money will be used for technology purchases for special programs (things outside of the 1:1 student Chromebooks,) such as specialized tech tools and devices for art, STEM, science, math, etc., and will be used by students in their classes and activities.

Student Chromebooks - \$420,000

This 2023-2024 request is for elementary student Chromebooks, which are refreshed on a 4-year cycle.

Office /Administrative Computer replacements and upgrades - \$10,000

This is an annual request for the replacement and upgrade of office computers in administrative offices throughout the district. The current request includes replacement of desktop units and laptops for school offices and administration.

Integrated Security System – \$645,929

This request is for system replacements and enhancements to the software, servers, and equipment that runs our current systems. This request impacts building alarms, badge and door access, security cameras, security servers, and will expand guest badging and environmental sensors. The request integrates all systems and includes three years licensing for cloud services which will reduce in-house maintenance and upgrades in the long-term.

Security Cameras – \$10,000

This request is security cameras that regularly need replacement or in some cases where an additional camera may be necessary to provide better coverage of a previously unidentified area of concern.

***Branford Public Schools
Facilities Capital
Request Justification
2023- 2024***

Equipment & Services

Equipment- \$18,000 This represents a provision for replacement of facilities equipment, such as mowers, blowers, scrubbers and buffers.

Buildings

High School

Replace Classroom Unit Heaters- \$ 80,000 Classroom unit heaters are located on the walls or in ceilings and are at the end of their useful lives at 29 years old. As units approach the end of their useful lives, they become very noisy and disrupt the instructional environment.

John B. Sliney

Interior Painting - \$20,000 Student lockers on all three floors require repainting.

Indian Neck

Boiler Replacement- \$35,000 This request is to accumulate funds to replace the boiler at Indian Neck School, which will be 25 years old in 2024.

System Wide

Door Replacement- \$ 8,925 The replacement of a portion of the 1434 exterior and interior doors is an annual endeavor. (Reduced due to redesignation of funds in 22-23).

External Facilities

Mary T Murphy

Parking Lot Sealcoating- \$95,000 Sealcoating the parking areas will extend their useful lives and defer repaving.

Mary R Tisko

Parking Lot Sealcoating - \$95,000 Sealcoating the parking areas will extend their useful lives and defer repaving.

System Wide

Sidewalk Repair- \$20,000- This request is to repair sidewalks at all buildings.

Infrastructure

Building/ Fire Code & ADA Compliance- \$15,000- Code compliance issues that are identified during annual inspections must be addressed promptly.
