# **IV.** Directors Report:

The Community House's patio on the upper floor outside the Totokett room is completely finished and looks beautiful. The board is delighted and looking forward to enjoying it.

Paul Criscuolo reported that all of the Lifeline AED (Semi-Automatic Defibrillators) for all of our fields have arrived. The poles are required for the protective case will be provided and attached this winter so that they can begin to be installed in the parks. Paul stated that arrangements will be made to have them installed at the designated fields.

The board discussed having open classes at the Community House to let the public to train them on these AED's.

## **Old Business:**

The purchase of an artificial turf for the fields at the Middle School was approved by the Inland Wet Land Committee and The Planning and Zoning Committee. This is the same as the turf that is on the Branford High School Field which has cut back tremendously on the up keep and maintenance of that field.
