Addressing Imbalance

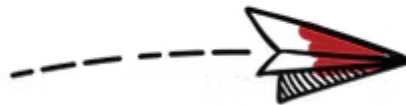

"In addition to those five schools, another 20 Connecticut schools were designated as in "impending imbalance," meaning they don't meet the legal definition of imbalance but are not far off. Within this category were five more schools from Greenwich, four more from West Hartford, four from Norwalk, two from Stratford and one each from Milford, Hartford, Montville, Hamden and Branford."

Putterman, CT Insider, 2023
