Dear Branford Board of Finance,

Unlike all other Branford town meetings held during the current health crisis, for some unknown reason your July 21, 2020 meeting was not available by Zoom and only through in-person attendance.

Given that this was in direct violation of current accepted safety procedures and the governor's statewide directives, at your next meeting would you please explain to the community why this was done?

In addition, because agenda items of community interest were voted on at this meeting without your board providing a safe and open forum for public participation, the legality of this meeting is also being challenged with the Connecticut Freedom of Information Commission.

Sincerely,

*Wayne Cooke*

Re: Human Services Budget FY 2020-2021 Transfer Request

### Seasonal/Part-time Personnel

Human Resources Department requires any contractual employee to meet specific IRS benchmarks as a condition to continue in a contractor employment status. Our candidate to fill the Medical Director position did not meet the criteria and is therefore required to be hired as part-time employee of the town.

As a result, we are requesting approval of a transfer from the Other Purchased Services account to the Seasonal/Part-time Help account:
