Chairman Mooney noted the fire station alert system was presented by the Fire Department during their FY26 budget presentation. Based on analysis, the Finance Director is recommending it be funded in the current year by Fund Balance. Chief Mahoney accompanied by Brian Koczak and Bob Massey noted this is an estimate to more than cover their needs based on quotes received but will go out to formal bid upon approval of this funding request. Chairman Mooney read the following resolution:

Resolved: That the Board of Finance recommends to the RTM an increase in appropriations for the Fiscal Year 2025 General Fund Budget from \$144,067,612 to \$144,182,612. This increase will be funded through an appropriation from Fund Balance and will be used to fund the replacement of the fire station alerting system.

Mr. Valette moved the resolution and the motion was seconded by Ms. DeLise. The resolution passed unanimously.

7. 2025-2026 Budget Work Session

(The budget as requested is available to the public on the Town's website.)

The budget work session portion began at 7:15 p.m. Chairman Mooney outlined the departmental budget presentation process and the proposed budget expenditures of \$144,457,798 with net to be raised from taxation of \$124,246,000 representing a 6.9% increase in expenditures and based on a Grand List of \$5.597 billion equating to a mill rate of 22.69.

The Board deliberated with administration and in addition, considered the changes made in the February BOF meeting to reduce expenses and fund items in different ways. The Board recognizes the tax shift to residential property owners. The BOF recommended increases in revenues and reduction in expenditures by department were reviewed and voted on individually as per the attached record of votes. Exhibit 7a

The Chairman called for a recess at 7:50 p.m. to prepare BOF recommended resolutions to the RTM.

The meeting resumed at 8:10 p.m. and Chairman Mooney read each of the final resolutions and they were voted on individually, all passed unanimously as noted on the attached document "Board of Finance-Record of Votes on FY2025-26 Resolutions to the RTM." Exhibit 7b

Chairman Mooney read the BOF's budget adjustments as recapped on the attached meeting handout spreadsheet. Exhibit 7c

Also recapped was the amended FY26 Budget Summary prepared by Finance reflecting the BOF recommendations as voted on tonight. Exhibit 7d

Finally, the BOF Recommended Mill Rate Calculation spreadsheet prepared by Finance was summarized by Chairman Mooney. He emphasized \$6,446,000 in Fund Balance brought forward to apply to the FY26 budget, and \$118,772,019 in net to be raised from taxation for a proposed mill rate of 21.49 . Exhibit 7e

Chairman Mooney thanked Jim Finch and Kathryn LaBanca and the Board, the Finance team, First Selectman Cosgrove and board clerk Arpin. First Selectman Cosgrove also thanked the Board for their deliberations and actions, as it was known this was going to be a challenging year due to the shift to the taxpayer. First Selectman Cosgrove also acknowledged Finance Director Finch for his work to mitigate the tax levy and keep the budget at a 2% increase. He stated the Board recognizes this level of bringing Fund Balance forward cannot be sustained year after year, and that Branford is fortunate as a community to be in the position financially for decades of strong fiscal practices as acknowledged by the rating agencies "many times over." Finance Director Finch gave thanks and recognition for Assistant Finance Director Kathryn LaBanca's expertise hard work.

8. The meeting was adjourned at 8:22 p.m. by motion from Mr. Valette, seconded by Ms. DeLise.

Dated this 9th day of April 2025.
