Present: Greg Ames, Shirley McCarthy, Rick Saltz,

Absent: Bob Babcock, Elena Cahill, Sharon Huttner, Bill Horne, Chris Lenda

Guests: Marjorie and David Schneider

1. Marshall Cox who just moved to Branford has a PhD in electrical engineering and did his thesis on photovoltaic cells has been approved by Jamie Cosgrove to join the committee once the Selectmen vote.
2. Honeywell: Jamie Cosgrove has not scheduled the meeting yet.
3. Municipal solar: we want to schedule a tour of the solar farm at Tabor.
4. CCM: defer to Bob Babcock
5. Energy plan status: Greg Ames distributed a slide type format:  
[https://docs.google.com/presentation/d/1VI2xmWjwx-D5hBY\\_lji-MWWJ1OgbKwW\\_uTKYckUbmDs/edit#slide=id.p](https://docs.google.com/presentation/d/1VI2xmWjwx-D5hBY_lji-MWWJ1OgbKwW_uTKYckUbmDs/edit#slide=id.p) . He thought a POCD-like presentation would be attractive and we agreed.
6. Blue Earth: deferred to Bill Horne.
7. Questions for upcoming meeting with Jim Finch: Greg shared a list of financial questions for the meeting which we will give to him beforehand. Key issue: Jamie Cosgrove said that he would like a timeline but it is not clear how to get things done. The town may need to hire an energy consultant. The Terry Elton replacement could have smart development/clean energy expertise. Will discuss with Jamie Cosgrove.
