

Branford Clean Energy Ad Hoc Committee Meeting Minutes 1/22/24

Minutes from 12/18/23 were unanimously approved.

SHuttner: No new information to report on EVs.

JPrins: There will be a press release on the new solar panels at Murphy and Tisko schools. A monitor in the hallways will enable children to see energy output.

GAMES/VChioccio: Reported on Animal shelter meeting with the 1st Selectman; provided ASHRAE standard for commissioning of police station

BBabcock: For small business energy efficiency, planning training luncheon and met with East Haven.

DRabin: February 9th will be a training meeting with East Haven and Branford. Approved outreach has been going out for East Haven; Branford outreach will commence with receipt of funding.

DRabin: EarthDay 4/27/24: HES and heat pump contractors were put in touch with organizer for tabling opportunities.

SMcCarthy/EMahler/DRabin: CTE network meeting 1/20/24 was worthwhile. Dan Rabin gave a great talk.
