Application #21-7.5
PH opened 9/2/21 & continued to 10/7/21

H. Smith stated the applicant requested this item be continued to the 10/21/21 meeting.

The applicant offered a time extension which the commission accepted

4. Peter Kusterer-Applicant & Owner
3 Three Elms Road
Special Exception Modification - Alter conditions of a previous Special Exception Approval for the construction of an oversized accessory structure (Barn)
Application #21-9.4
A/R 9/16/21 & PH set for 10/7/21

Peter Kusterer (Applicant) spoke and displayed a site plan. He would like to make some minor changes to the past approval. He spoke of the list of the conditions from the past approval. He noted he can't have landscaping on all sides of the barn since the other sides of the barn have doors so landscaping is not feasible. He has landscaped the front.

He talked of the placement of the boats for storage on the parcel.

He then talked of guardrails in his parking lot and noted he does not want one.

He requested a slight relocation of the dumpster per the dumpster company's request.

He then talked of the plantings along the parking lot along thimble islands road; he is proposing a low cut year round plant with river stones in between noting they won't wash away with heavy rain.

Next he spoke of the underground tanks to store rainwater and how the area is the septic field.

The agreement between his neighbor, Sam Morris was discussed briefly and Mr. Kusterer maintains the agreement is invalid.

H. Smith reviewed the staff report. He noted he needs to review the zba file more thoroughly.

The commission discussed the items.

Public Input:

1. Tim Lee-(Sam Morris attorney) He asked what Mr. Kusterer wants to accomplish. They are asking him to make a site plan with the changes he wants. He then spoke of the prior zba approval and how Mr. Morris objected to various conditions. Then they came together and came up with an agreement.
Mr. Lee then spoke of some type of buffering between Mr. Morris property and Mr. Kusterer property.

Mr. Lee noted if Mr. Kusterer wants a modification to the prior approval then he should show what changes in circumstances occurred to support the changes.

He also stated that Mr. Kusterer should go back to the Zoning Board of Appeals for the modification of that approval.

2. David D'Atri- (4 Three Elms Rd)- He said he fully supports the proposed barn noting it's an excellent design. He felt the guard rail is not really necessary. He said moving the dumpster for easy access makes sense. He noted that regarding the underground storage, perhaps someone could do a runoff calculation for him to see if property can absorb the water. He said Mr. Kusterer has made an effort to improve the landscaping.
3. Barbara Chessler-(8 Three Elms Rd.)She said she doesn't understand why they are here at this meeting and said this could have been handled 2 years ago. She said this has been ongoing for 6 years now. The neighbors have been waiting for some action to be taken regarding the barn. She asked; if Mr. Kusterer never builds the barn, does he still have to follow the conditions of approval? She thinks this is a delay tactic. She noted that a boat has been on the street for 6 months or more.
4. Paul Cassella- (11 Three Elms Rd.)--He asked for clarification about the windows. He asked where is the boat storage going to be? Where is the path going to be? Also, is the apron going to be paved? He also felt the guardrail would be unsightly.
5. Barbra Chessler – (8 Three Elms Rd.)She said that the runoff after a heavy rain is significant. After it rains there is a pile of stones at end of his driveway.

Mr. Kusterer responded to some of the public comments.

Chairperson Andres closed the Public Hearing.
