

SOLID WASTE MANAGEMENT COMMISSION
SPECIAL MEETING – MARCH 23, 2022
Meeting Minutes

Attendees: Chairman Muniz, J Rollo, R Aitro, K Galambos, H Plunkett, Diana McCarthy-Bercury (Town Staff)

1. Chairman Muniz called the meeting (via Zoom) to order at 5:33 pm
2. Commissioner Comments on Collection Study Project Status
 - a. Several Commissioners sent comments to Chairman Muniz regarding RRT's Draft Final Report dated March 11, 2022.
 - b. Chairman Muniz stated that the Commission agrees with RRT's recommendation for a new procurement model. The question is what do with their report. Is the work product clear enough that we can share it with residents?
 - c. Chairman Muniz stated that he and other Commissioners have asked RRT about our fundamental questions and the report does not provide identifiable answers to these questions.
 - d. Kate Galambos and Chairman Muniz will collate the questions sent by Commissioners into a summary list to be sent to RRT. We will ask for RRT to answer these questions in writing or in person.
 - e. Chairman Muniz will reach out to the Town to determine which individual or committee is authorized to oversee safety at the transfer Station. The SWMC will then ask RRT to remove this section from the Final Report and request RRT to forward these findings directly to the Town in a separate report.
3. The next SWMC meeting is scheduled for April 13.
4. H Plunkett moved to adjourn the meeting, J Rollo seconded the motion, and the meeting was adjourned at 6:03 pm
