# TOWN OF BRANFORD

## THE TOWN OF BRANFORD

Branford was first settled in mid 1644 as part of the New Haven Colony and named in 1653. In 1958 it adopted a charter establishing the Selectmen, Board of Finance, Representative Town Meeting ("RTM") form of government, which was last amended in 1991. The Town covers an area of 27.9 square miles and is located in New Haven County approximately 85 miles east of New York City and 38 miles south of Hartford, Connecticut. It is bound on the north by the Town of North Branford, west by the Town of East Haven, south by Long Island Sound, and east by the Town of Guilford.

## TOWN ORGANIZATION

Branford is administered by a First Selectman, who acts as the Chief Administrative Officer, a Board of Selectmen, a 30-member Representative Town Meeting, and a six member Board of Finance that constitute the Selectmen/Board of Finance/RTM form of government.

General Town elections are held on the first Tuesday after the first Monday in November of each odd numbered year to elect the First Selectman, Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, and RTM. Their terms of office are for two years. The RTM is made up of thirty elected members representing seven voting districts. The members of the RTM choose one of their members to be Moderator of the RTM, who presides over all its meetings.

The legislative power of the Town is vested exclusively in the RTM, except as otherwise provided for by the electors. The RTM has the power to enact, amend, or repeal ordinances not inconsistent with the Charter or the General Statutes of the State of Connecticut. The electors have the power to approve or reject an ordinance by referendum, as provided in the Charter. The Board of Finance prepares the annual budget for recommendation to the RTM and sets the mill rate, as prescribed by Town Charter.

## Introduction

As I write this letter, I am profoundly aware that the budget was forged in the midst of a national pandemic due to the COVID 19 virus. Admittedly, I am hard pressed to find a comparable experience in my decades of service to the town as Board Finance Chairman and Finance Director. Nevertheless, I recognize that our charter requires the Board of Finance to create a recommended budget and, therefore, I am faithfully executing the Board's duties as I attach the Board of Finance's recommended budget for the fiscal year beginning July 1, 2020 and ending June 30, 2021. In developing our recommendations, we were aware that this budget reflects the implementation of a revaluation. Additionally, the severe restrictions placed on business and individuals in response to the pandemic will result in revenue losses for interest income, tax receipts, building permits, and other departmental receipts. These declines are in addition to the anticipated revenue losses associated with the gradual phase out of grants for firefighters and special education reimbursements.

The General Assembly is also on furlough. Therefore, I remain doubtful that state aid estimates developed before the pandemic will hold.

I am also reminded that municipal aid continues to represent a large share of the state's budget making it an easy target for continued tinkering among state officials and advocacy groups.

Admittedly, we are limited in our ability to insulate ourselves from the pandemic's impact. Therefore, we must instead focus on things that are more directly within our control. In this regard, we remain committed to the needs of future generations as we continue funding for our long-term obligations notably pensions, other-post employment benefits, heart and hypertension costs and debt service.

The recommended budget also includes a contribution into to the recently created Coastal Resiliency Fund. Branford established this fund to supplement traditional financial resources thus providing another tool to assist the community in addressing our vulnerabilities and challenges related to sea level rise.

While we endeavor to keep one eye on the future, we must acknowledge the current needs of our community and especially those who rely on our municipal and social service organizations.

Finally, the Board is acutely aware that many residents are seeing reductions in their income and losses in their retirement savings due to the recent losses in the financial markets. As the Board confronted these obstacles, we are fully aware that residential property owners will be challenged to pay the property taxes that support the bulk of town services.

As in the past, the Board's strategy incorporated the following budgetary guidelines:

- Maintain the current level of existing services while refraining from adding new programs;
- Fund current and future liabilities in an equitable and sustainable manner;
- Preserve the undesignated fund balance so that it remains above the Board's target of 9% of expenditures;
- Continue to invest in new vehicles and equipment to ensure continued service delivery;
- Preserve the Town's investment in its properties and buildings;

- Continue to fund many capital items on a pay-as-you-go basis so as to limit the amount of outstanding debt and maintain favorable debt ratios;
- Maintain compliance with externally imposed mandates;
- Continue the investment in technology as evidence of Branford's commitment to enhance municipal operations and service delivery.

### Budget in Brief

The Board's efforts, coupled with an adherence to the above guidelines, produced a recommended budget that totals \$118,238,443 and represents an increase of 2.35% over the current year. Non-tax revenue of \$14,142,457 will fund a portion of the operations leaving the balance raised from taxation at \$104,095,986. After adjusting for tax credits and an allowance for uncollected taxes, the amount of taxes required equals \$106,891,515. This total divided by the estimated Net Taxable Grand List produces a tax rate of 29.04 mills.

### Summary & Highlights

While I anticipate that each of you will review both the workbook and the recommended budget summary and changes, I have taken the liberty to

provide a budget summary that identifies the major budgetary changes made by the Board as compared to the departmental requests (workbook).

### **Board of Finance Revenue Estimates:**

#### *Departmental Receipts and Grants*

- The decrease in non-tax revenue reflects lower than anticipated receipts for building permits, interest income and special education.

### **Board of Finance Expenditure Adjustments:**

#### *General Government Decrease of \$151,500*

- The Board recommends a decrease in hardware and software in the Information Technology Department. Instead, the Board proposed an amendment to the RTM to fund these items in the current year.

#### *Public Safety Decrease of \$3,500*

- The Board reduced the request for gasoline.

#### *Public Works Decrease of \$10,000*

- The decrease reflects a revised estimate for fuel.

#### *Recreation and Culture Decrease of \$24,404*

- The Board's recommended budget does not fund the request for a full time position while alternatively providing additional funds for the part time account.

#### *Board of Education Decrease of \$713,254*

- The Board's recommended budget primarily reflects a revised medical benefit projection and funding medical claims at 97% of current estimates.

#### *Debt Service Increase of \$200,000*

- The town is exploring moving up a planned bond issue to the spring. If this were to occur, additional funds are required as two semiannual interest payments will be required on this new money issue in FY 2021.

*Pensions, Insurance, Contingency Decrease of \$782,913*

- Pursuant to a revised projection for medical benefits, funding medical claims at 97% and reducing the unfunded accrued liability in the Other Post Employment Benefit Trust, the Board reduced these two areas by a total of \$782,913.

*Capital Projects, Transfers Out and Leases– Decrease of \$1,710,751 for the Town and BOE.*

- The Board recognizes that a large financial investment is required to maintain and expand Branford's facilities and infrastructure. Failure to maintain these capital investments adequately will precipitate a deterioration of our infrastructure. Despite the above-mentioned decrease, the capital plan includes over \$2.6 million in capital projects funded through the operating budget. Moreover, a many of these projects are under consideration for funding in the current year. These funds will come from bond authorizations and appropriations from fund balance. Please refer to the capital budget detail for specific recommendations.

*Other Considerations*

While I believe that the Town of Branford continues to make progress in a number of areas, I offer some additional ideas to consider based on the Board's observations:

- Explore savings in employee medical benefits and coordinate with the Board of Education where appropriate.
- Review departmental operations with an eye towards process improvements and increased efficiency.
- Encourage all employees to work together for the common benefit of the citizens and taxpayers.
- Continue to identify opportunities for savings through energy conservation.
- Consider hiring an outside consultant to review the town's rolling stock inventory and identify best practices as it relates to our fleet maintenance, replacement needs and costs.
- Consider hiring an outside firm to conduct a financial risk assessment.

- Continually monitor our self-insured risks to maintain proper reserves.

## Conclusion

I believe the Board of Finance's recommended budget is a balanced plan of operations designed to provide departments with the resources required to fulfill their mission while acknowledging that the economic landscape is in a state of upheaval due to the COVID 19 pandemic.

I acknowledge that our budget adoption process this year is undoubtedly unique due to a series of executive orders from the governor placing restrictions on in person meetings. Finally, we understand that executive orders are in place to transfer the budget authority from the RTM back to our Board. Meanwhile, we anticipate receiving communication from the public and other town officials during the next few weeks as we consider

their suggestions and comments prior to adopting the final budget. I thank my fellow Board members, the First Selectman, Department Heads and staff for their hard work.

I remain confident that Branford will remain financially resilient and recognize that this community employs a hardworking and dedicated municipal workforce along with a number of equally committed nonprofits and volunteers who will guide us through this difficult time.

Sincerely,
