In the event of any conflict or inconsistency between a provision of this Handbook and a provision of an applicable collective bargaining agreement or an individual employment contract, the bargaining agreement or the individual employment contract shall apply.***

This Handbook is not intended to create an express or implied contract. This Handbook is designed to acquaint you with the Town and to provide you with information about working conditions, employee benefits, and some of the policies affecting your employment. You should read, understand and comply with all provisions of this Handbook. It describes many of your responsibilities as an employee and outlines the programs developed by the Town of Branford to benefit employees. The Employee Handbook supersedes any previous manual and/or verbal or written statements that may have been issued. Further, this Employee Handbook is not a contract of employment.

Employment is “**At-Will**”, which means that you may resign at any time without stating your reason or giving notice, or the Town of Branford may terminate employment at any time with or without cause or notice. The Town of Branford reserves the right to revise, delete and add to the provisions of this Handbook. All such revisions, deletions or additions must be in writing and must be signed by the First Selectman of the Town of Branford. In addition, the Town of Branford complies with all applicable federal, state, and local laws, regulations or ordinances governing non-discrimination in employment. This policy applies to all terms and conditions of employment including policies and procedures relating to recruitment and hiring, compensation, working conditions, benefits and termination from employment. .

Affirmative Action

The Town of Branford will continue to take affirmative action to ensure that applicants and employees are treated without regard to race, color, creed, citizenship, marital status, sexual orientation or preference, gender identity, physical or mental disability, domestic violence, or national origin, religion, sex, sexual orientation, national origin, ancestry, mental disorder (present or past history thereof), age, physical disability (not limited to blindness), marital status, or criminal record. The Town of Branford will continue to make good faith efforts to comply with all federal and state laws and policies which speak to equal employment opportunity.

Employees with questions or concerns about any type of discrimination in the workplace are encouraged to bring these issues to the attention of their immediate Supervisor/Department Head or the Director of Human Resources. If at any time you do not feel a concern you have about discrimination has been adequately addressed, you should bring your concern directly to the attention of the First Selectman. Employees can raise concerns and make reports without fear of reprisal. Anyone found to be engaging in any type of unlawful discrimination will be subject to disciplinary action, up to and including termination of employment.

Americans with Disabilities Policy Statement

The Town of Branford is committed to complying with applicable provisions of the Americans with Disabilities Act (ADA), as well as with applicable state law that requires the Town to make reasonable accommodation in its workplace for qualified individuals with disabilities. If you believe you need an accommodation to perform the essential function of your assigned job, please contact the Human Resources Department. All medical information and records concerning disabilities or an ADA accommodation are strictly confidential.

IMMIGRATION LAW COMPLIANCE

The Town of Branford is committed to employing only United States citizens and aliens who are authorized to work in the United States. The Town does not unlawfully discriminate on the basis of citizenship or national origin. In compliance with the Immigration Reform and Control Act of 1986, each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present documentation establishing identity and employment eligibility. Former employees who are rehired must also complete the form if they have not completed an I-9 with the Town of Branford within the past three years, or if their previous I-9 is no longer retained or valid.

Employees with questions or seeking more information on immigration law issues should contact the Human Resources Department.

EMPLOYMENT OF RELATIVES

The purpose of this policy is to establish uniform practices regarding the employment of relatives by the Town of Branford. The intent of this policy is to prevent the appearance of partiality in the hiring, promotion, demotion, reassignment, and transfer of employees, thereby limiting the negative effect on morale and the appearance of impropriety. Pre-existing employment relationships falling within the purview of this policy will be permitted to continue; however, that exception does not apply to promotions, reassignments, and transfers after the effective date of this policy.

For the purpose of this policy, immediate relatives include: parents, grandparents, spouses, partners in a Civil Union or a domestic partner, children, grandchildren, brothers, sisters, mothers-in-law or any other in law relationship; aunts, uncles, nephews, nieces, first cousins, and adopted and step family members.

All applicants for employment are required to disclose the names of relatives currently employed by the Town of Branford, as indicated on the employment application. Current employees of the Town are required to disclose any prohibited employment relationship that may be created due to the hiring, promotion, demotion, reassignment, or transfer of an employee or elected official. Failure of employee to provide this information may be ground for discipline, up to and including discharge.

Employees who become immediate relatives may continue employment as long as it does not involve any of the situations above. If one of the situations outlined above should occur, the employee must disclose it to Human Resources and attempts will be made to find a suitable position within the Town of Branford to which one of the employees will transfer if qualified for the position. If employees become immediate family members the Town will make reasonable efforts to transfer one of the employees to minimize problems of supervision, safety, security or morale. If accommodations of this nature are not feasible, the employees will be permitted to determine which of them will resign. If the employees cannot make a decision, the Director of Human Resources in consultation with the appropriate Department Head, will decide in its sole discretion who will remain employed.

The hiring supervisor/Department Head is responsible for ensuring policy compliance. The Director of Human Resources must be informed of any changes relating to this policy in a timely manner.

EMPLOYMENT APPLICATIONS

The Town of Branford relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in the Town of Branford's exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

EMPLOYMENT CLASSIFICATIONS

It is the intent of the Town to clarify the employment classifications so that employees understand their employment status and benefit eligibility. These classifications do not guarantee employment for any specified period of time. Accordingly, the right to terminate the "At-Will" employment relationship at any time is retained by both the employee and the Town.

Employee: A person who receives wages from the Town.

Introductory Employee: A newly-hired person who has not yet successfully completed ninety (90) calendar days of uninterrupted employment in his or her position or who, in the Town's determination, has not yet demonstrated sufficient competency in the performance of his or her job duties. Successful completion of the Introductory Period does not guarantee continued employment and does not change the At-Will nature of the employment relationship.

Exempt Employees: Employees who are not subject to the overtime provisions of wage and hour laws. These employees have qualified for exemption under the law as executive, administrative or professional employees and are paid on a salary basis.

Non-Exempt Employees: Employees who are compensated hourly and who are eligible for overtime as provided in wage and hour laws.

In addition to the above categories, each employee will belong to one of the following classifications of employees:

Regular Full-Time: An employee who has successfully completed the Introductory Period and who regularly works thirty five (35) or more hours weekly. Regular full-time employees are eligible for all Town benefits.

Regular Part-Time: An employee who has successfully completed the Introductory Period and who regularly works thirty-four (34) or fewer hours weekly. These employees are not eligible to receive all Town benefits but may receive some benefits on a pro-rated basis and all benefits required by law such as CT Paid Sick Leave, some paid holidays, FICA, and unemployment and workers compensation insurances.

Seasonal/Part Time Hourly: Seasonal employees are those individuals who are employed for limited duration assignments, generally four (4) months or less, or to assist in the completion of a specific project, or who work an average of ten (10) hours or less per week. Seasonal employees are not eligible for benefits except those as required by law.

Temporary: Temporary employees are those individuals who are employed to fill-in for either regular full-time or regular part-time employees who are absent from work. Temporary employees are not eligible for benefits except those as required by law.

EMPLOYEE POLICIES

Introductory Period

All new and rehired employees are considered to be in an Introductory Period for a period of ninety (90) calendar days from their date of hire. Current employees who are transferred or promoted to a new position are also considered to be in an Introductory Period for a period of ninety (90) calendar days from their date of hire or promotion. The Introductory Period is intended to give new employees the opportunity to demonstrate their ability to achieve a satisfactory level of performance and to determine whether the new position meets their expectations. The Town uses this period to evaluate employee capabilities, work habits, and overall performance. Either the employee or the Town may end the employment relationship At-Will at any time during or after the introductory period, with or without cause or advance notice.

Any significant absence, as determined by the Town, will automatically extend the Introductory Period by the length of the absence. The Town also reserves the right to extend an employee's Introductory Period at its discretion.

Successful completion of the Introductory Period does not guarantee continued employment and does not change the At-Will nature of the employment relationship.

New Employee Orientation

All new employees are required to attend a new employee orientation session. Orientation is designed to welcome new employees, acquaint them with policies and information important to working at the Town of Branford and ensure that each employee is properly registered for payroll and benefits. In addition, all new employees are required to complete

an I-9 form issued by the United States Citizenship and Immigration Services attesting to his/her legal status. Verifying an individual's legal status to work in the United States requires proof of both the individual's identity and authorization to work. A newly hired employee is required to bring this identification on his/her first day of employment.

Outside Employment

In order to protect the Town of Branford's interests, we must ensure that any outside employment undertaken by a Town employee does not conflict with his or her obligation to the Town. Outside employment is acceptable when: the activities related to the employment do not involve work time, Town equipment or facilities; the employee does not approach co-workers to buy products or services; the employee maintains high work performance standards and the outside employment does not conflict with the employee's obligation or reflect negatively upon the Town. If any of these criteria are not met, the outside employment is unacceptable. Employees who wish to undertake outside employment must receive prior written approval from the Director of Human Resources.

Any employee who violates this procedure shall be subject to discipline, up to and including termination of employment.

Performance Evaluations

Department Heads and employees are encouraged to discuss job performance and goals on a regular basis. After successful completion of the Introductory Period, employees are evaluated on an annual basis.

Personal Appearance

It is important that all employees maintain a personal appearance so as to project a professional image on behalf of the Town of Branford. Employees are expected to dress and groom themselves in accordance with accepted social and business standards. Employees should apply standards of good judgment when choosing work attire. Extreme fads in dress or grooming, wearing revealing clothing or clothing displaying offensive slogans is inappropriate and unacceptable.

The Town reserves the right to determine the appropriateness of an employee's dress and appearance. An employee who comes to work dressed or groomed inappropriately for the workplace, may be asked to leave the workplace until he or she is properly attired or groomed. In addition, employees who violate these standards may be subject to appropriate disciplinary action.

Office Security

The Town requests that employees not leave valuables exposed during the day and remove all valuables overnight and on weekends. The Town is not responsible for the loss or damage of employees' personal belongings. Employees should refrain from bringing

unnecessary personal items to work. If an employee loses or breaks personal items during the performance of the duties of his/her job, the Town will not replace or reimburse the employee.

Before borrowing any piece of equipment from another employee's work area, please ask permission. Employees who observe any suspicious or unusual activity are asked to report such activity to the Director of Human Resources.

Use of Equipment

Equipment essential in accomplishing job duties is expensive and may be difficult to replace. When using Town property, employees are expected to exercise care, perform required maintenance, and follow all operating instructions, safety standards, and guidelines.

Employees should notify their supervisor if any equipment or machines which appear to be damaged, defective, or in need of repair. Prompt reporting of damage, defects, and the need for repairs could prevent deterioration of equipment and possible injury to employees or others. Employees should not attempt to repair damaged equipment on their own.

Use of Town Vehicles

Employees provided with the use of a Town vehicle are not permitted to use the vehicle for personal reasons outside of the employee's working hours. Town vehicles shall be used solely in the performance of Town business unless otherwise specified in an employment contract.

Expense Reimbursement (Airline, Bus, Car Rentals, Meals and Lodging)

The Town will reimburse employees for mileage for work-related travel at an approved IRS mileage reimbursement rate. Mileage expenses will be reimbursed from the business starting point to the destination and from the destination back to the starting point. Reimbursements of mileage expenses will be calculated by the use of Map Quest. Tolls and /or parking receipts can be submitted with the Mileage requests. Employees should log their daily trips on the Mileage Reimbursement form and submit it to the Finance Department on a monthly basis, however no request should be submitted less than quarterly.

Other work-related expenses will be reimbursed by the Town, provided the expenses are approved by their Department Head or First Selectman, reasonable and an expense reimbursement form accompanied by a receipt is promptly submitted to the Finance Department but no later than 60 days from the date of the expense. All reimbursed requests must include a receipt and must be approved by the Department Head or First Selectman who may reduce the amount of the request if they think the amount requested is excessive or unreasonable.

Gifts and Gratuities

Employees are prohibited from directly or indirectly soliciting or accepting any gift, loan or any item or service having monetary value from any person or company that is seeking to conduct or currently conducting business with the Town. (Please refer to the Code of the Town of Branford, Chapter 38 Code of Ethics)

Cellular Phone Usage

Cell phones are provided to certain Town employees for business purposes only. Cell phones should not be used if lower cost alternatives are available. Accordingly, they should not be used in the office or for lengthy conference calls. The Town may require reimbursement for personal use of the Town's cell phone.

Employees are not permitted to use personal cell phones during work time except in the case of an emergency. Employees are free to use personal cell phones during their break time or other non-working time.

Cell phones may not be used for Town business while driving a vehicle. If you must use a cell phone for Town business while the driving a vehicle, come to a complete stop before doing so.

Use of Telephone and Mail Systems and Telephone Monitoring

Personal use of Town-owned telephones for long-distance and toll calls is not permitted. Employees should limit the use of Town telephones when making personal calls.

The Town reserves the right to monitor all phone calls made from Town telephones without further notice to employees. Employees should not expect privacy while using the Town's telephones, including its cellular phones.

The use of Town-paid postage for personal business is not permitted.

Attendance and Punctuality

The Town of Branford expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on the Town. When employees cannot avoid being late to work or are unable to work as scheduled, they must notify their supervisor as soon as possible in advance of the anticipated tardiness or absence.

Poor attendance and excessive tardiness is disruptive. Either may lead to disciplinary action, up to and including termination of employment. Employees who are absent from work for three (3) consecutive workdays without notifying their supervisor or Department Head will be considered to have voluntarily resigned from their employment with the Town.

EMPLOYEE INFORMATION

Access to Personnel Files

The Town maintains a "personnel file" on each employee which may be in hard copy or electronic. The personnel file includes such information as the employee's job application, resume, records of training, rate of pay and other employment records. Personnel files are the property of the Town and access to the information they contain is generally restricted. However, information may be disclosed to permit the Town to comply with legal obligations, including requests made under the Freedom of Information Act (FOIA).

Employees who wish to review their personnel file should make a written request to the Human Resources Department.

Employee Data Changes

Each employee is responsible for notifying the Human Resources Department of any changes in personal data. Personal mailing addresses, telephone numbers, number and names of dependents, legal name changes, individuals to be contacted in the event of an emergency, insurance beneficiaries, and other such information should be accurate and current at all times. Inaccuracies may prevent employees from receiving important correspondence or communications. If any personnel data has changed, employees must notify the Human Resources Department as soon as possible. Employees who wish to resign from their employment must notify in writing to their supervisor, department head and Human Resources Department as soon as possible, but no later than 2 weeks prior to the departure date.

ANTI- HARASSMENT

The Town of Branford is committed to a collegial work environment in which all individuals are treated with respect and dignity. Each individual has the right to work in a professional atmosphere. The Town of Branford prohibits discriminatory practice, including harassment, and promotes equal opportunities.

It is the policy of the Town that employment shall be based on merit, qualifications, and competence. Further, employment decisions shall be made without regard to an applicant's race, color, age, sex, religion, creed, national origin, ancestry, citizenship, marital status, sexual orientation or preference, gender identity, physical or mental disability, status as a victim of domestic violence, sex offenses, or stalking, or any other basis prohibited by local, state or federal law. This policy governs all areas of employment, including hiring, compensation, training, apprenticeship, upgrading, downgrading, transfer, assignment, discipline, discharge and layoff.

The Human Resources Department has overall responsibility for this policy and maintain reporting and monitoring procedures. Any questions, concerns, and any incident or complaint of harassment or discrimination should be referred to the Director of Human Resources.

Individuals Covered Under the Policy

This policy applies to all personnel whether related to conduct engaged in by a fellow co-worker, supervisor, department head, or someone not directly connected to the Firm (e.g. an outside vendor, consultant, client or customer).

This policy also applies to interns, contractors, and persons conducting business with the Town of Branford.

Definition of Sexual Harassment

Sexual harassment constitutes discrimination and is illegal under federal, state, and local laws. Sexual harassment includes harassment on the basis of sex, sexual orientation, gender identity and the status of being transgender.

Sexual harassment may include a range of subtle and not so subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, these behaviors may include, but are not limited to: unwanted sexual advances, subtle or overt requests for sexual favors; sexual jokes, innuendoes, advances or propositions; verbal abuse of a sexual nature; graphic commentary about an individual's body, sexual prowess or sexual deficiencies; leering, whistling, touching, pinching, assault, coerced sexual acts, or suggestive, insulting, or obscene comments or gestures; display in the workplace of sexually suggestive objects or pictures; and other physical, verbal or visual conduct of a sexual nature.

Definitions of Harassment

Harassment on the basis of any other protected characteristic is also strictly prohibited. Under this policy, harassment is verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his/her race, sex, color, religion, national origin, age, disability, alienage or citizenship status, marital status, creed, genetic predisposition or carrier status, sexual orientation or any other characteristic protected by law, and the (1) has the purpose or effect of creating an intimidating, hostile or offensive work environment; (2) has the purpose or effect of unreasonably interfering with an individual's work performance; or (3) otherwise adversely affects an individual's employment opportunities.

This kind of behavior is unacceptable at the workplace and in any work-related setting outside the workplace such as during meetings with customer or town residents, business trips, and other business social events.

Consenting Relationships

It is also essential to understand that consenting romantic and sexual relationships between management, supervisory and co-workers may lead to unforeseen complications. The respect and trust accorded a more senior/supervisory person by a lower-level position, as well as the power held by that person in evaluating or otherwise supervising lower-level position, could diminish the extent to which the lower level person really feels free to choose. All personnel should be aware of the risks associated with consensual relationships. If a consensual relationship is brought to management the Director of Human Resources in consultation with the department head, if appropriate, may reassign to change the reporting functions or roles of parties engaged in such relationship to avoid potential problems in this regard.

Reporting an Incident of Discrimination or Harassment

The Town of Branford encourages reporting of all perceived incidents of discrimination or harassment, regardless of the identity or position of the individuals in question. Reports of any harassment, sexual or otherwise, may be made verbally or in writing. Individuals who believe they have been the victims of discrimination or harassment should bring their concerns to the Director of Human Resources and/or the First Selectman.

In addition, the Town of Branford, encourages individuals who believe they are being harassed to promptly advise the offender that this or her behavior is unwelcome and request that it be stopped. This action alone may solve the problem. The Town of Branford recognizes, however, that it is not necessary for an individual to talk directly with the offender if that individual feels uncomfortable doing so.

Supervisor Responsibility

All supervisory and managerial personnel, including elected personnel, who receive a complaint or information about suspected harassment, sexual or otherwise, observe what may be harassing behavior or for any reason suspect that harassment is occurring, **are required** to bring their concerns to the Director of Human Resources or in his/her absence the First Selectman.

In addition to being subject to discipline if they engaged in harassing conduct themselves, supervisors and managers will be subject to discipline for failing to report suspected harassment or otherwise knowingly allowing harassment to continue.

Complaint Procedure

- a. Notifications of Appropriate Staff

As noted above, individuals who believe they have been the victims of discrimination or harassment or believe they have witnessed discrimination or harassment should bring

their concerns to their Supervisor/Department Head, Director of Human Resources, or the First Selectman.

b. Timeliness in Reporting Harassment or Discrimination

The Town of Branford encourages the prompt reporting of complaints or concerns so that rapid and constructive action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention has proved to be the most effective method of resolving actual or perceived incidents of discrimination and harassment.

c. Investigatory Process

All reported allegations of discrimination or harassment will be investigated promptly and confidentially. The investigation may include individual interviews with the parties involved and, when necessary, with individuals who may have observed the alleged conduct or may have relevant knowledge. The complaining party will be told the result of the investigation.

d. Confidentiality

The complaint and investigation will be handled with sensitivity, and confidentiality will be maintained throughout the investigatory process, to the extent practical under the circumstances to ensure that all concerns are addressed in an appropriate manner.

e. Protection Against Retaliation

Retaliation against an individual for reporting discrimination or harassment or assisting in providing information relevant to a claim of discrimination or harassment is unlawful and a serious violation of this policy. Acts of retaliation should be reported immediately and will be promptly investigated.

f. Responsive Action

Misconduct constituting discrimination or harassment will be dealt with appropriately. Responsive action may include, for example, training, referral to counseling and disciplinary action such as warnings, reprimands, withholding a promotion or pay increase, reassignment, temporary suspension without pay, compensation adjustments, or termination as the Town of Branford may believe appropriate under the circumstance. Absent special circumstances, the reassignment of the complainant will not be an acceptable corrective action unless the complainant agrees and wants to be transferred or reassigned.

g. Records of Complaint and Investigation

The Director of Human Resources will maintain a written record of each formal complaint, and how it was investigated and resolved. Written records will be maintained in confidence to the extent practical and appropriate by the Director of Human Resources.

Aside from the Town's internal process, employees may also choose to pursue legal remedies with federal, state and local authorities.

The Town of Branford has developed this policy to ensure that all of its personnel can work in an environment free from discrimination and harassment. The Town of Branford will make every reasonable effort to ensure that all personnel are familiar with this policy and are aware that any complaint received will be investigated and resolved appropriately.

HOURS OF WORK AND TIME RECORDS

Working Hours

The normal work schedule is Monday through Friday with an unpaid lunch break, except as otherwise established by the Department Head in accordance with the needs of the department. The Town, at its sole discretion, reserves the right at any time to modify work hours. Employees may be required to work additional hours or days in order to meet the needs of their department and the Town.

Employees of the Town are expected to devote all work time to Town business and may not perform personal, non-work related business, or supplemental tasks while being paid by the Town.

Overtime

When operating requirements or other needs cannot be met during regular working hours, non-exempt employees may be scheduled to work overtime. All overtime must be authorized in advance by the First Selectman or his designee. Working overtime without prior authorization may result in disciplinary action. Non-exempt employees will be compensated for all overtime hours worked in accordance with state and federal law. Exempt employees are expected to work as much of each workday as is necessary to complete their job responsibilities.

The operating hours of all departments are established by the Board of Selectmen. The operating hours may vary by individual department based on the service requirements and the expectations of the public. Operating hours may include evening or weekend service, or 24 hour service for public safety departments. The public must be provided service throughout the established operating hours of each department.

All town employees have specific established working hours. For unaffiliated employees, the working hours are established by the First Selectman. In general, working hours should

not be adjusted to meet the personal needs or preferences of employees. Employees working hours must be within the approved operating hours of their department.

Examples of such tasks or assignments include:

Required attendance at evening board or commission meetings (meeting time only) where the employee provides specific presentations or has assigned responsibilities;

Out of town meetings or conference recommended by the Department Head or First Selectman which exceed the normal work day hours;

Providing services to clients at scheduled hours during the evening or weekends;

Extraordinary projects with unusual time restraints;

Special situations with prior approval from the First Selectman.

Compensatory Time Policy

Compensatory time is defined as time off granted to certain full time unaffiliated employees only for work performed during non-regular working hours which are immediately necessary to the operation of the Department or for specific projects and programs deemed necessary by the Department Head and/or First Selectman. No compensatory time will be granted for office work which should have been completed during the normal work week. Compensatory time is not the practice of taking time off for hours worked in excess of the normal work week to complete assigned tasks or normal work assignments. Working prior to, or after normal department work hours, or through all or part of the designated lunch hour, may not be used as justification for compensatory time off.

Executive Employees are legally exempt from overtime and are not entitled to compensatory time under this policy. Their compensation is based on the anticipation that their duties will normally equal or exceed 40 hours per week, and will include occasional evening and possible weekend work requirements.

Administrative and Professional Unaffiliated Employees are legally exempt from overtime. However, as a matter of Town of Branford policy, however and subject to change without notice, the administrative and professional employees listed below will be entitled to one hour of compensatory time-off for each hour actually worked, within the definition above, over and above their regular working hours, subject to the requirements below. The administrative and professional positions that are eligible for compensatory time are: **Clinical Director, Clinician, Clinical Intake Coordinator, Youth and Family Coordinator, Assistant Fire Chief, Assistant Director of Human Resources and Case Manager.**

Non-Exempt Unaffiliated Employees are legally not exempt from overtime, therefore they will be paid for the hours worked and if in excess of 40 hours a week be paid time and a

half (1 ½). These are the Executive Administrative Assistant, and the Social Service Coordinator.

All earned overtime and compensatory time must be approved in advance within specific time parameters (e.g. up to 3 hours prior to overtime/compensatory time) by the department head or First Selectman;

Should overtime or compensatory time be approved for an evening meeting, only the time attending the meeting should be counted. Meal or waiting time should not be included, does not include non-exempt employees;

All earned compensatory time must be taken during the week earned; or during the following week. Under no circumstances may earned compensatory time be accumulated beyond the second week without the written approval of the Director of Human Resources or First Selectman. It is not the intent of this policy to supplement vacation with accumulated compensatory time.

All overtime and earned compensatory time, and utilized compensatory time, must be documented on the employee time record;

It is expected that compensatory time will be taken at times that minimize the negative impact on constituents and the public. The First Selectman and/or his designee has the prerogative to disapprove a request to take compensatory time when he/she thinks the department's services would be affected;

The use of compensatory time must be scheduled in advance, and approved by the First Selectman or his designee. It is not to be used as a justification for tardiness or early departure;

Under no circumstance should accumulated compensatory time exceed eight hours;

Compensatory time should be used in increments of two (2) hours, or the total accumulated compensatory hours, whichever is greater;

Lunch periods are unpaid for non-exempt employees.

PAYROLL

Paydays

All employees are generally paid every other Thursday although some union contracts may require weekly payments. Each paycheck will include earnings for all work performed through the end of the previous payroll period. In the event that a regularly scheduled payday falls on a holiday, employees will receive pay on the last day of work before the regularly scheduled payday. If a regular payday falls during an employee's vacation, the employee's paycheck will be available upon his/her return from vacation.

Employees may choose to have their pay directly deposited into a designated account with their financial institution(s). Employees who choose direct deposit will receive an itemized statement of wages on paydays.

Error in Pay

Every effort is made to avoid errors in employees' paychecks. Employees who believe an error has been made, should immediately inform the Human Resources Department. The Human Resources Department will take the necessary steps to research the problem and to assure that any necessary correction is made promptly. Corrections needed will be discussed with the employee and corrected on the upcoming payroll per legal requirements.

Pay Deductions

The law requires that the Town of Branford make certain deductions from every employee's wages. Among these deductions are applicable federal and state income taxes. The Town must deduct Social Security taxes on each employee's earnings up to a specified limit that is called the Social Security "wage base." The Town matches the amount of Social Security taxes paid by each employee.

The Town of Branford offers programs and benefits beyond those required by law. In some instances, the cost of these programs will be deducted from the employee's compensation.

Employees who have questions concerning the deductions made from their paycheck or how these deductions were calculated, should contact the Human Resources Department.

EMPLOYEE BENEFITS

Eligible employees are provided a variety of benefits. A number of the programs (such as Social Security, workers' compensation, and unemployment insurance) cover all employees in the manner prescribed by law. Benefit eligibility is dependent upon several factors, including length of service and employee classification. Employees should contact the Human Resources Department for information on benefit eligibility.

Life Insurance Benefits

Regular full-time employees are eligible for coverage under the Town's group life insurance policy. Currently, the Town pays the full cost of the premium for each eligible employee.

Medical Insurance Benefits

Regular full-time employees and their dependents are eligible for insurance benefits in accordance with the terms of each plan. Both the Town and the employee pay a portion of the insurance premium. The Town determines the employee's portion of the insurance premium on a yearly basis. The Town may, in its sole discretion, change insurance coverage or the identity of insurance companies at any time as well as contributions by employees and co-pay provisions. Employees should speak with the Human Resources Department for eligibility requirements, premium share information and other plan details.

Regular full-time employees are eligible to participate in the Connecticut Municipal Employee Retirement System ("CMERS"). Employees should speak with the Human Resources Department for eligibility requirements and other plan details.

Short Term and Long Term Disability Policies

Effective the first day of your start date, all full time employees (those scheduled to work 30 or more hours a week) are eligible to participate in the Town of Branford's Sun Life Insurance Short Term and Long Term Disability programs. (Some positions require a waiting period longer than one day. See the STD Summary Plan Description for specific information).

What is defined as Short Term Disability?

Any eligible employee who is out of the office for more than 72 hours due to their own illness and who is not receiving any paid compensation such as sick time, personal time, workers compensation, vacation or compensatory time, may apply for Short Term Disability. Short term disability runs concurrently with paid time off or family medical leave if the illness is for more than 72 hours and is due to the employee's illness.

How do I File for Short Term Disability?

You should contact the Human Resources department to request a form which will need to be completed by you and your Doctor stating the illness, the start date of the illness, the medical reasons you can work and your expected return date. When you send the completed disability form to Sun Life they will review it to confirm that your disability is approved. Once approved Sun Life will send you \$80 per week for the length of the approved disability period. The disability period can extend for 26 weeks.

What if I Am Still disabled after 26 Weeks?

A full-time employee is eligible to apply for Long Term Disability Insurance after 26 weeks of approved Short Term Disability coverage has ended. Contact the Human Resources department who will provide the required form for you and your Doctor to complete. If approved by the insurance carrier for compensation, you will receive 60% of your base salary to a maximum of \$7000 per month. The length of your approved paid disability claim will be as prescribed in the LTD summary plan description and the insurance carrier.

A reduced schedule leave is one that changes the employee's normal work schedule for a period of time by reducing the employee's usual number of working hours per work or hours per day. An intermittent leave is taken in separate blocks of time due to a single qualifying reason. A 12 month period begins on the date of the employee's first use of federal Family and Medical Leave. Successive 12 month periods commence on the date of an employee's first use of federal Family and Medical Leave after the preceding 12 month period has ended. When leave is taken to care for an injured or ill service member, an eligible employee may take up to 26 workweeks of leave during a single 12 month period to care for the service member. Leave to care for an injured or ill service member, when combined with other FMLA-qualifying leave may not exceed 26 weeks in a single 12-month

period. Service member FMLA runs concurrent with other leave entitlements provided under federal and state law.

Leave may be used for one or more of the following reasons: (1) for the birth or placement of a child for adoption or foster care; (2) to care for an immediate family member (spouse, child or parent or parent-in-law) with a serious health condition; (3) to take medical leave when the employee is unable to work because of their own serious health condition; (4) a “qualifying exigency” arising out of a covered family member’s active duty or call to active duty in the Armed Forces in support of a contingency plan; or (5) to care for a covered family member who has incurred an injury or illness in the line of duty while on active duty in the Armed Forces provided that such injury or illness may render the family member medically unfit to perform duties of the member’s office, grade, rank or rating and (6) to provide service as an organ or bone marrow donor. (Under some circumstances, employees may take Family and Medical Leave intermittently, which means taking leave in blocks of time, or by reducing their normal weekly or daily work schedule.)

Certain restrictions on these benefits may apply.

Notice and Certification

Employees who are in need of Family and Medical Leave, may be required to provide:

- a. 30 days advance notice when the need for leave is foreseeable;
- b. Medical certification from a health care provider (prior to the start of the leave period and before returning to work);
- c. Periodic re-certification; and
- d. Periodic reports during the leave.

When leave is needed to care for an immediate family member or an employee’s own serious health condition, and is for planned medical treatment, employees are required to schedule treatment so as not to unduly disrupt the Town’s operation.

Compensation during Leave

Family and Medical Leave is unpaid. The Town may require employees to use accrued paid leave (such as sick and vacation time) to cover some or all of the Family and Medical Leave. The use of paid time does not extend the length of a Family and Medical Leave.

Benefits during Leave

The Town will maintain, for up to a maximum of 12 workweeks of Family and Medical Leave, any group health insurance coverage for the employee on Family and Medical Leave whenever such insurance was provided before the leave was taken and on the same terms

as if the employee had continued to work. If applicable, employees will need to make arrangements to pay their share of the health insurance premiums while on leave.

In some instances, the Town may recover premiums it paid to maintain health coverage for an employee who fails to return to work from Family and Medical Leave.

Job Reinstatement

Under most circumstances, upon return from Family and Medical Leave, employees will be reinstated to their previous position, or to an equivalent job with equivalent pay, benefits and other employment terms and conditions. Upon return from a Family and Medical Leave, employees have no greater right to reinstatement than if that had been continuously employed.

EMPLOYEE CONDUCT

The Town is committed to providing quality service to its residents and a work environment for its employees that is conducive to congenial and professional working relationships, productivity and employees' well-being. It is therefore appropriate to establish fundamental guidelines for all employees that will protect the best interests of all employees and the Town.

It is not possible to list all the forms of behavior that are considered unacceptable in the workplace. The following are some examples of infractions of rules of conduct that may result in disciplinary action, up to and including termination of employment. In all cases, the penalty to be applied is within the discretion of the Town:

- Activities prohibited by Town Charter, ordinance or State law;
- Theft or inappropriate removal or possession of property;

Consistent with this policy, providing or otherwise contributing to any violent or disruptive act in the workplace including but not limited to acts or threats of physical violence, including intimidation, harassment, coercion, assault, battery, which involve or affect the Town of Branford or which occur on the Town's property or worksites is strictly prohibited.

To ensure a safe workplace and to reduce the risk of violence, all employees are required to review and understand the provisions of this Workplace Violence Policy.

Prohibited Conduct

Acts or threats of violence include conduct which is sufficiently severe, offensive, or intimidating to alter the employment conditions at the Town of Branford or to create a hostile, abusive, or intimidating work environment for one or several employees. Examples of workplace violence include, but are not limited to, the following:

1. All threats or acts of violence occurring on the Town's premises or worksites, regardless of the relationship between the Town and the parties involved.
2. All threats or acts of violence occurring off the Town of Branford's premises involving someone who is acting in the capacity of a representative of the Town.

Specific examples of conduct which may be considered threats or acts of violence in violation of this policy, include, but are not limited to the following:

- Hitting or shoving an individual;
- Causing physical injury to another person;

- Making threatening remarks concerning an individual, his or her family, friends, associates or property;

- Unauthorized possession of a weapon while on Town property or while acting in the capacity of a representative of the Town.

Reporting Procedures

Each employee is encouraged to report threats or acts of violence to the Human Resources Department.

Enforcement

The Town's prohibition against threats and acts of violence applies to all persons involved in Town business, including but not limited to personnel, contract and temporary workers and anyone else on Town property or worksites.

Threatening conduct or any other acts of aggression or violence in the workplace will not be tolerated. Any employee determined to have committed such acts will be subject to disciplinary action, up to and including termination of employment and/or legal action as appropriate.

Weapons

The Town of Branford believes it is important to establish a clear policy that specifically addresses weapons in the workplace. The Town prohibits all persons who enter Town property from carrying a handgun, firearm, knife, or other prohibited weapon of any kind regardless of whether or not the person is licensed to carry the weapon. In addition, all employees are prohibited from carrying weapons on Town worksites or while conducting Town business.

Any employee found in violation of this policy will be subject to immediate termination of employment.

DRUG AND ALCOHOL USE

The Town of Branford maintains a policy against drug and alcohol use by its employees. The use of any illegal drugs, intoxicants or controlled substances is strictly prohibited. Illicit drug use and indiscriminate alcohol consumption puts everyone at risk and cannot be tolerated. In keeping with our efforts to promote health and safety and protect the interests of our employees, customers, and the Town, we cannot allow anyone to use, possess, sell, manufacture, purchase or be under the influence of alcohol, illegal drugs, intoxicants or controlled substances at any time on Town premises, in Town vehicles or while on Town business.

Prohibited Acts

The following acts are strictly prohibited by the Town and apply to all employees:

- a. Possession, use, or being under the influence of alcohol, an illegal drug intoxicant or controlled substance while on Town property or worksites and while performing Town business.
- b. Driving a vehicle on Town business while under the influence of alcohol or an illegal drug, intoxicant or controlled substance.
- c. Distributing, selling, manufacturing or purchasing or attempting to distribute, sell, manufacture, or purchase of an illegal drug or controlled substance during working hours or while on Town-owned or occupied premises.
- d. Testing positive on a required or requested drug or alcohol test or screen.
- e. Refusing either to take or to release information regarding a required or requested drug or alcohol test or screen; and
- f. Violating any Town rule or policy regarding alcohol and drug use.

Testing Program

- a. After an offer of employment but before the applicant commences employment;
- b. When a reasonable suspicion exists that any employee is under the influence of alcohol or any illegal drug, intoxicant, or controlled substance while on the job, or is otherwise in violation of this policy. Reasonable suspicion means suspicion based on information regarding among other things, an employee's appearance, behavior, speech, attitude, mood and/or breathe odor.

- c. When any employee is found in possession of alcohol or an illegal drug, intoxicant or controlled substance in violation of this policy, or when any of those items are found in an area controlled or used by the employee, such as a desk or locker.
- d. When an accident, near-miss, or incident occurs in which safety precautions are violated or careless acts are performed, and a reasonable suspicion exists that the employee involved is under the influence of alcohol or an illegal drug, intoxicant or controlled substance.
- e. After any employee has participated in a rehabilitation program; and
- f. When required by a state or federal law or regulation (e.g. (i) persons driving commercial motor vehicles with a gross vehicle weight rating of 26,001 pounds or more or carrying hazardous materials in interstate commerce ("DOT testing"); or (ii) for other reasons required by law). The testing required by the Town will involve an initial screening test. If that result is positive, the positive result will be confirmed using a different testing methodology.

Employees suspected of possessing alcohol, illegal drugs, intoxicants or controlled substances are subject to inspection and search, with or without notice. Employees who are suspected of possessing alcohol, illegal drugs, intoxicants or controlled substances are subject to having their personal belongings, including any bags, purses, briefcases and clothing, and all Town property, subject to inspection and search, with or without notice. Employees who violate the Town's drug and alcohol abuse policy will be removed from the workplace immediately. The Town may also bring the matter to the attention of appropriate law enforcement authorities. Any conviction for criminal conduct involving illegal drugs, intoxicants or controlled substances whether on or off duty, or any violation of the Town's drug and alcohol abuse policy, including, having a positive drug-test result, may lead to disciplinary action, up to and including termination.

Any employee's conviction on a charge of sale, distribution, manufacturing or attempted sale, distribution, or manufacturing, or possession of any controlled substance while off Town property will not be tolerated because that conduct, even though off duty, reflects adversely on the Town. In addition to reflecting adversely on the Town, the Town must keep people who are involved with illegal drugs and controlled substances off premises owned or occupied by the Town in order to keep those substances off the premises.

The use of prescription drugs and/or over-the-counter drugs may also affect an employee's job performance and seriously impair that employee's ability to perform his or her duties. Any employee who is using prescription or over-the-counter drugs that may impair his or her ability to safely perform the job or may affect the safety or well-being of others must submit a physician's statement that the prescription drug use will not affect job safety. The employee is not required to identify the medication or the underlying illness. Various federal, state and local laws protect the rights of individuals with disabilities and others with regard to the confidentiality of medical information, medical treatment, and the use of

prescription drugs and substances taken under medical supervision. Nothing contained in this policy is intended to violate or interfere with individual rights under these laws.

Accommodation of Employees Seeking Treatment/Rehabilitation

The Town will attempt to reasonably accommodate employees with chemical dependencies (alcohol or drugs), if they voluntarily wish to seek treatment and/or rehabilitation. Employees desiring that assistance should request an unpaid treatment or rehabilitation leave of absence. The Town's support for treatment and rehabilitation does not obligate the Town to employ any person who violates the Town's drug and alcohol abuse policy or whose job performance is impaired because of substance abuse. The Town is also not obligated to reemploy any person who has participated in treatment or rehabilitation if that person's job performance remains impaired as a result of dependency. Employees who are given the opportunity to seek treatment and/or rehabilitation and are involved in any further violations of this policy will not be given a second opportunity to seek treatment or rehabilitation.

SEPARATION FROM EMPLOYMENT

Voluntary Separation

If you are choosing to voluntarily end your employment with the Town please submit an email or letter to your Supervisor and Human Resources Department as soon as practical but no less than 2 weeks before your departure date. Human Resources Department will conduct by phone or in person an exit interview. This will give you the opportunity to discuss changes you would suggest that the Town consider to improve or enhance your job responsibilities and productivity as well as the positive aspects of your current role in the Town.

Return of Property

Employees are responsible for all Town property issued to them. Any Town property issued to employees, such as keys and cell phones, must be returned to the Town immediately upon request or upon the employee's separation of employment. Employees will be responsible for all lost or damaged items belonging to the Town. The value of any property issued and not returned may be deducted from an employee's pay, and employees may be required to sign a wage deduction authorization form for this purpose.

The Human Resources Director will respond to employment reference inquiries that are received in writing and will only verify dates of employment and position title, unless required by law to provide other information. Employees are not permitted to respond to

employment reference inquiries or requests for letters of recommendation for present or former Town employees. Employees and former employees should direct the person or organization seeking the information to contact the Town's Human Resources Department.
