Prospective bidders, and all those concerned, are hereby informed that the following is made a part of the bid documents, which should be amended as follows:

1) A list of the Pre-Bid site walk attendees held on April 18th, 2024 is attached to this addendum.

2) Specification Revision:

Under specification Section 000160-Instructions To Bidders the following corrections are to be made:

Article 13 - Payroll, section 13.2 should read as follows:

Said Wage Rate Schedules shall be posted at a conspicuous location on the Project site. In addition, subcontractors will be required to pay the annual adjusted prevailing wage rate increases directly from the Department of Labor. Such annual adjustments are accounted for in the Bid Price.

Article 14 – Project Labor Agreement – Shall be removed in its entirety from the project requirements.

Based upon this revision we will hold an additional site walk (rain date per the documents) on April 24th at 11 am on site.
