

Town of Branford  
Project No. 0170-3513GR  
Pedestrian Connectivity Improvements  
Addendum #3

Date: January 31, 2025

Submission Date: February 6, 2025 (Unchanged)

Prospective bidders, and all those concerned, are hereby informed that the following is made a part of the bid documents, which should be amended as follows:

The following questions were received about the RFP, with the answers following:

1. Can you send the bidder list for the sidewalk improvement project?  
**The Town does not maintain a bidders list for this project.**
  
2. Do I need to fill out section 19 of the Construction Contracts – Required Contract Provisions?  
**If the bidder has retained a Consultant, as defined in the State “Construction Contracts – Required Contract Provisions”, Section 19, the bidder is required to provide the Consultant information in Section 19. If no Consultant has been retained, as defined in Section 19, the additional information in Section 19 is not required.**
  
3. Will CTDOT require a performance bond?  
**Refer to the CTDOT Pre-Approval Letter within the bid documents for encroachment permit requirements.**
  
4. Is the Bituminous Concrete Driveway (Commercial) unit in Square Feet or Square Yards?  
**The bid proposal sheet has been updated to show Square Yards for all Bituminous Concrete Driveway (Commercial). Attached revised proposal sheet shall be submitted with bid submission.**

Respectfully Submitted,  
Kevin Ortiz, EIT  
Civil Design Engineer

Please acknowledge receipt of the addendum below and submit with your bid submittal.
