SPECIFICATIONS FOR PUMP OUT SEWER CONTRACTOR

HOMEOWNER RESPONSIBILITY

The homeowner will purchase a pump-out permit from the Town Engineer's Office and follow the rules on the permit. The homeowner will call the Town's designated pump-out contractor when the system is ready to be pumped and give them the permit number and address to be pumped. The homeowner is allowed one pump-out per calendar year.

CONTRACTOR RESPONSIBILITY

The designated pump-out contractor will provide one pump-out per property. The homeowner will call the contractor when the system is ready to be pumped out. Contractor must have hard copy of permit prior to pump-out. The pump-out will be provided by the designated pump-out contractor to the homeowner within one week of the call for a pump-out. When the pump-out is completed, the designated Contractor will leave a form provided by the Town of Branford stating that the pump-out has been completed.

The Town designated pump-out contractor is responsible for any damage caused during the pump-out. The designated pump-out contractor is also responsible for the clean up and removal of any septage spill caused during the pump-out.

The Town designated pump-out contractor will dump all septage from pump-outs at the Town of Branford Wastewater Treatment Plant, located at 75 Block Island Road, Branford, CT., between the hours of 6:00 a.m. and 2:00 p.m., Monday through Friday, excluding holidays.

The Town designated pump-out contractor must be available within two (2) hours for septic hauling from the Stony Creek Town Dock Monday through Friday.

At time of dumping the Town designated pump-out contractor will log in the address of the house or houses that were pumped, along with the Permit number and Gallon amount of septic, on a form at the Wastewater Pollution Control Facility office.

The Town of Branford will perform periodic spot inspection of pump outs.

The Town designated pump-out contractor shall be paid on a completed per pump-out basis. For payment purposes, a property with two tanks requiring two permits shall be considered one pump-out.

The duration of the contract will be from July 1, 2024 through June 30, 2027.

Residential holding tanks shall continue to be pumped by the Town of Branford, unless otherwise specified.

The Town of Branford may terminate the designated pump-out contractor for failure to follow these specifications or unsatisfactory performance by giving seven (7) days notice by certified mail.

The Town designated pump-out contractor will notify the Treatment Plant in writing, within three (3) days of anything unusual found during the pump out. i.e., broken baffle, bleed back, etc.

The Town of Branford further reserves the right to award the contract to the bidder which is in the best interest of the Town of Branford in accordance with the Purchasing Ordinance of the Town of Branford.
