

BENEFITS CHECKUP

If you are unsure of what you're looking for and want to know if you qualify for benefits, we can help you through a "benefits checkup" where you will gain information about and access to State, Federal and Local Programs so that you can live independently for as long as possible.

Benefits Checkups are personalized and based on your information so we can find out what programs you might be eligible for but aren't aware of.

BY APPOINTMENT ONLY

Appointments are
Private & Confidential
